

October 18, 2011

Dear Prospective Partner:

Family Health Ministries (FHM) is a nonprofit organization dedicated to developing long-term relationships with underserved individuals, families and communities, to help them help themselves in culturally relevant ways. FHM primarily supports programs in family health and education in Haiti.

In addition to our ongoing programs, FHM is in the midst of an exciting campaign to build a new hospital in Haiti. A surgical facility, the second phase of Leogane Family Health Center, is the focus of an event we are sponsoring on May 5, 2012. At Duke Gardens in Durham, "An Evening for Haiti: Building the Leogane Family Health Center" will raise money to improve health care for Haitian women and their children. There will be a garden party with supper and beverages, live music, and silent and live auctions to raise building funds.

It is our hope that you will consider supporting this event with a donation. We are soliciting items to be offered in silent and live auctions. We are also asking local businesses and individuals to consider being an event sponsor.

Your organization will be prominently featured as a contributor on the evening of the event, and in pre-event publications (details attached). Because we are a nonprofit, we can give you a receipt for tax purposes for the actual value of your gift.

We are happy to answer any questions about "An Evening for Haiti: Building the Leogane Family Health Center" and about our collaborative programs that serve the poor in three communities in Haiti. Please feel free to call our office at 919-382-5500 or contact Janet Portzer at janet.portzer@familyhm.org. You can also find more information about Family Health Ministries on our website at www.familyhm.org.

We value your support and thank you for your partnership to help build the Leogane Family Health Center.

Sincerely,

Kathy Walmer
Executive Director

David Walmer
Board Chairman
